

Wednesday continued

3) Firm Foundation **6:30p – 8:00p** **MOCO Church Campus**
Leader Wren Stephenson

This class, I pray, will help us bind up our sandals, gird up our cloaks and develop a solid foundation of the Bible and church history. We will look at the books of the bible, the places, the people, the link to God and His love for His people, how you can apply this to your life and grow in our relationship with God and our Brothers and Sisters and yes even ourselves. Fast Track is a DVD study of the bible books, and will be our guide. We will pray for understanding and praise His unwavering love and mercy. There will also be what I call, an open forum at the end for questions that we can tackle together based on what Gods word says. (i.e) Do all dogs go to heaven?

Leader Cameron Bruse **Wartburg, TN, 37887**

Life is hard, and even harder on our own; that's why we aren't supposed to do it alone. Come surround yourself with other men who are fighting the same battles in life and attempting to be men of integrity. Share life, challenges, and triumphs with men who are facing the same things in their lives, because no man goes into battle alone.
